

## Dymo LabelWriter 550 Turbo

### Description

Label printing jobs come fast, accurate, and hassle-free with the DYMO LabelWriter 550 label printer. With its unique Automatic Label Recognition, you always know which labels (by size, type, and color) are loaded into the label maker at a glance. You'll also know how many labels are remaining, so you'll never run out mid-job. The direct thermal printer replaces the need to buy costly ink or toner, while the portable size helps it fit into any modern workspace with ease.
